

Roma Home Decor Accepts Nomination for 21st ARTS Award

It is with immense pride and pleasure that ROMA accepts the nomination for the prestigious 21st ARTS Award in the Wall Décor category, and we are prouder to announce that our very own Maria Hoo, Creative Director for Roma Home Décor, has graciously accepted her nomination for Designer of the Year.

The ARTS Awards is an annual collaborative effort by Dallas Market Center and the Accessories Resource Team (ART) to recognize the best in the decorative accessories industry. It is the most coveted award in the home furnishings industry – identifying the very best in manufacturing, design, sales representation and retailing. Over the years, ART has recognized the finest in these categories, helping to brand these companies and people as the top in their field.

The Awards Gala will take place in Dallas, on January 16, 2010, and is nothing short of the Academy Awards for execution, suspense and glamour. It is a veritable 'who's who' of the home furnishings industry and Roma is honoured to once more be part of this special event.

This announcement is shared with everyone who believes in the Roma product line and to all of the Roma Family of employees who act as Ambassadors of Good Will - doing their jobs well – with pride and dedication.

Congratulations!!!
